# GIRL W

Girls just want to have fun, eh? N

**I**t's ladies who like other ladies! Starting with the lovely Page 3 Idol winner Sam Cooke and *Nuts* favourite Sophie Howard getting very hot (which must be why they've taken most of their clothes off) and very steamy in their first joint *Nuts* photo shoot...

**Hello, ladies. Are you bestest bosom buddies after all that cavorting around?**

**Sophie:** We haven't talked much because we've been working so hard, although we've been eating a lot.

**Sam:** We ate nearly an entire pavlova for lunch, so we managed to catch up then.

# GETTING FRIENDLY... WITH OTHER GIRLS!

Investigates what happens when girls get up close and personal with each other

**Sophie, you've just felt Sam's boobs – currently the best boobs in Britain. What are they like?**  
They're very round and very pert. They're definitely the best boobs in Britain by far.  
**Sam, what was it like cupping the boobs of a certified legend in your mere mortal hands?**  
Well, I was nervous before we

met but she's not nearly as intimidating as I thought. She's got fantastic big boobs and a tiny body, and she's really nice.

**You two lovely ladies are fronting Nuts' Girls Getting Friendly With Other Girls. So, when it comes to doing it with →**

# **GIRLS GETTING FRIENDLY... WITH OTHER GIRLS!**

Thanks to their new display, the knickers shop saw sales rocket

**the fairer sex: have you, would you, could you and should you?**

**Sophie:** I have, once. But I wouldn't any more. I could hold hands but I couldn't kiss another girl now. I like men too much.

**Sam:** I would but I wouldn't really want to. Girls don't really appeal to me. I've snogged some of my mates when I was younger, but it's not as good as snogging a bloke.

**Sophie:** I always find girls are much sloppier. There's too much lip gloss. You kiss a girl and it's like you're getting a full face wash.

**If you woke up and the tooth fairy had stolen your boobs, would you have a boob job to get them back?**

**Sophie:** Even if I was completely flat-chested, I wouldn't want plastic boobs. They feel like rocks.

**Sam:** If I was flat-chested I'd consider a boob job. But if they go slightly wrong, they look awful. I don't know if I'd want to risk it.

**If your boobs opened a fruit and veg shop, what would they sell?**

**Sophie:** That depends on my

**"I've snogged other girls before but I prefer blokes"**

**Sam**

boobs. Maybe they'd sell cucumbers. Ha-ha!

**Sam:** It's a tricky one. My boobs are too small for melons. Possibly, they're more like grapefruits.

**Sophie:** Or a small melon. Like a honeydew, not a watermelon.

**If a man's ever lucky enough to have a threesome, where on earth does he start, with four boobs at once?**

**Sam:** He'd have to take it in turns. Otherwise, they'd complain he's not giving each his full attention.

**Sophie:** It all depends how much everyone's into it, I suppose.

**Well, let's imagine some scenarios. First, a threesome where the man's tired but the two girls are up for it.**

**Sophie:** He could lie down and one girl could sit on his face, the other on his lap.

**How about if the man's up for it, one girl's tired, but the other's up for it?**

**Sophie:** The tired girl should go missionary so she can lie down, and the more energetic girl can jiggle her boobs in his face. ➡

Sophie's new  
duvet was ever  
so soft and  
comfortable

**What if the man's up for it but both girls are tired?**

**Sophie:** Then the two girls should go home and watch a DVD and he'll have some time alone. Ha-ha! **If you start to feel sleepy during today's shoot, will you take a nap on each other's boobs?**

**Sam:** Not if it messes up my hair.

**Sophie:** Yes. I'll expect Sam to lie down and let me rest on her boobs.

**Who has the biggest boobs?**

**Sophie:** Mine are 34G.

**Sam:** Mine were 30F but I'm not sure at the moment. They keep going bigger and smaller.

**Maybe your eyesight's going and your boobs are the same size?**

**Sam:** Maybe it's my paranoia. I'm constantly worried about my boobs. But I still fit in my bras, so I'm still a 30F. An F Cup makes me sound like I've got huge boobs but they're not that big – it's just because I've got a small back.

**Sophie, do you model types have to put your boobs through a gruelling**

**regime of daily maintenance to look after them?** Well, I don't do any.

I'm living with the after-effects of not looking after mine. My advice to you, Sam, would be to always wear bras, and knead your boobs like bread every day to keep them in shape. Ha-ha!

**All this talk of boobs and we haven't got onto your lovely bottoms yet.**

**"Sam's bum is very pert, like her top half – 9.9 out of ten"**

**Sophie**

**How about a quick marks-out-of-ten review of each other's behind?**

**Sam:** Sophie was telling me earlier that she doesn't have a bum.

**Sophie:** I don't have a bum. I just have an extension of my thigh and

my back. I need bum implants.

Sam's bum is very pert, just like her top half. I'd say a good 9.9 out of ten. You better not give my bum a really low score now, Sam.

**We'll give her an eight. You're from Southport, Soph, and you're from Manchester, Sam. Any rivalry?**

**Sophie:** Not really. Southport doesn't really have any rivals. If I was from Liverpool, then there might be a bit more rivalry.

**Sam:** There's no rivalry, but if Sophie was from Liverpool it might be different.

**Sophie, every time a new girl is asked who they'd love to pose with, your name is always top of the list.**

**Does it make you feel special?** It's a real compliment. I have to admit though, every time a new girl comes out I think, "Here comes my replacement!" It's alright, it's got to happen some time I suppose.

**How come you were wearing matching knickers earlier?**

**Sophie:** We're actually psychic! We sent secret psychic messages when we were getting dressed this morning. Just kidding! We just thought they looked good today and thought "why not?"

**And finally, will you be seeing each other again?**

**Sophie:** I hope *Nuts* will get us together for a shoot again soon! ■

**THIS WAY FOR  
MORE GIRLS  
TOGETHER!**

**CARMEN ELECTRA & VICTORIA SILVSTEDT**

Swedes are known for their open minds when it comes to sex, as is proven here by the gorgeous Victoria.

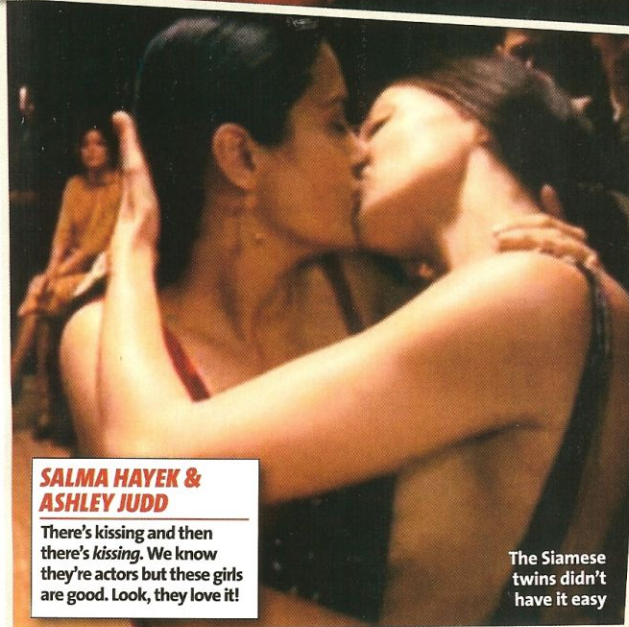

She hadn't been the same since accidentally eating the dog food

**CAMERON DIAZ & LUCY LIU**

She might've been ditched by Justin Timberlake but there's no end of people queuing up to kiss Cameron. Girls, too!

Crouch's sex change was a success

**SALMA HAYEK & ASHLEY JUDD**

There's kissing and then there's *kissing*. We know they're actors but these girls are good. Look, they love it!

The Siamese twins didn't have it easy

**COURTNEY TAYLOR & VICTORIA ZDROK**

When *Penthouse Playmates* like these two get together, you'd expect nothing less than this sort of behaviour!

Nose-wrestling had really started to take off

Teamwork is a beautiful thing

**LUCY PINDER & MICHELLE MARSH**  
Since going topless in *Nuts*, everyone wants to get their hands on Lucy Pinder's pert breasts. Even Michelle!

# GIRLS GETTING FRIENDLY... WITH OTHER GIRLS!

## JENNIFER ANISTON & WINONA RYDER

Winona recently got done for stealing clothes in the US. Here, she steals a kiss from ex-Friends star Jennifer. How very arresting!

"Ow! You just stuck yer tongue in me cavity"

## SOPHIA CAHILL & KATE DARCSY

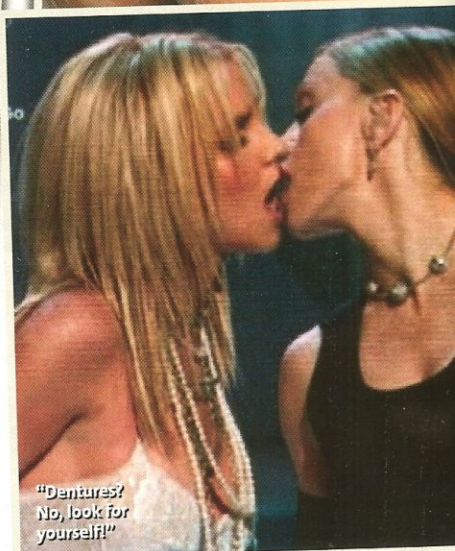

We're trying to think of a better sight than two naked girls in the bath... but nope, there's nothing better.

## KATE MOSS & JEMIMA KHAN

Some girls love a poncy air kiss. So, it makes a change to see them doing it properly, like these two tabloid faves.

The personal shopper was a bit heavy-handed

"Dentures? No, look for yourself!"

She insisted she got her five portions of fruit a day

Her latest exercise video was a big hit

**MADONNA, BRITNEY SPEARS & CHRISTINA AGUILERA**

Madge is clearly *not* like a virgin when it comes to kissing same-sex pop stars.

**PARIS HILTON & EGLANTINA ZINGG**

After seeing her home movies, we didn't think Paris could get any sexier. Then we stumbled upon this pic.

"Go on, smell my breath... Haaaaaa"

The novelty soap  
on-a-rope was  
incredibly lifelike

**MELANIE BOORMAN  
& BECKY RULE**

Apparently, Mel was feeling dirty, so girlfriend Becky took her for a bath. She's looking much cleaner now.

**TATIANA ABBEY & GWYNETH PALTROW**

US actress Gwyneth shows she's pretty handy when it comes to dealing with an on-screen lesbian kiss.

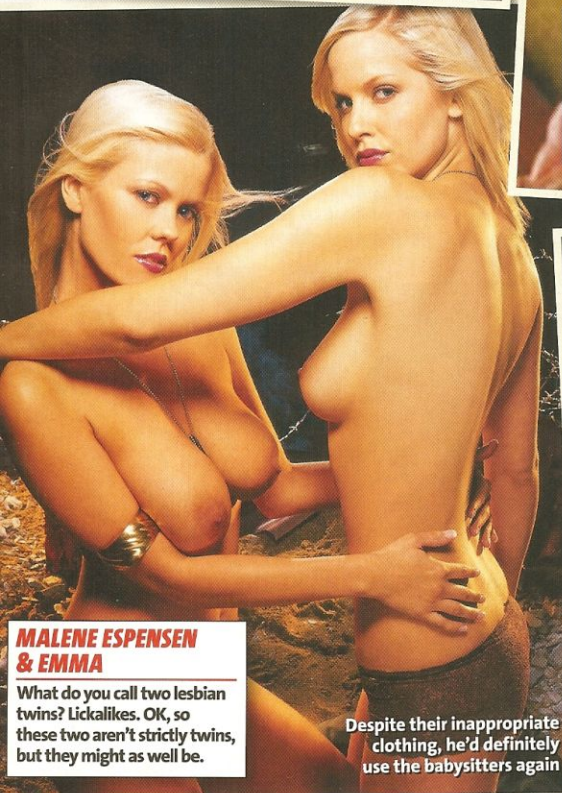

"I knew you had to get something off your chest, but..."

**HEATHER GRAHAM & LISA ZANE**

This tonsil tennis happened in movie *Terrific*. We think *Terrific* would've been a much more suitable title.

"Oi! I only wanted a short back and sides"

**MALENE ESPENSEN & EMMA**

What do you call two lesbian twins? Lickalikes. OK, so these two aren't strictly twins, but they might as well be.

Despite their inappropriate clothing, he'd definitely use the babysitters again

**AMY SMART & CARMEN ELECTRA**

*Starsky & Hutch* wasn't the greatest remake we've seen, but this on-screen session made up for that.

Her quick-thinking got her out of paying her library fine

**SARAH HARDING & THE TWEEDY**

Girls should always be allowed to do this in public. Especially when we're lucky enough to witness it!

# GIRLS GETTING FRIENDLY... WITH OTHER GIRLS!

## NATALIE OXLEY, SOPHIE HOWARD & MICHELLE MARSH

Girls are nice, but breasts are best. Here we have the best of both worlds. Pass the sun cream!

Nobody minded the Germans taking the sun loungers

"Stop it, you know I'm ticklish!"

## ELIZA DUSHKU & ANGELA FEATHERSTONE

These girls are clearly fans of angry lady-love, as they tear their clothes off and kiss like their lives depend on it.

## PIPER PERABO & LENA HEADEY

The British comedy in which these two starred, *Imagine Me & You*, was made all the more enjoyable by their full-on lip smacker.

It was the last time she'd offered someone her seat on the train

## SELMA BLAIR & SARAH MICHELLE GELLAR

Blokes celebrate victory by hugging. Girls celebrate by kissing. Looking at this, we know which one we prefer.

The acceptance speech was a bit over-the-top

## ELLE MACPHERSON & LIZ HURLEY

Sadly, Liz misses her mark as she kisses the supermodel on her well-defined cheek. Better luck next time, eh?

She'd mistaken the blusher for superglue

**HOLLY MCGUIRE &  
LEAH NEWMAN**

Whenever girls are looking to get frisky, they always choose the back seat of an Army Jeep, don't they?

The new recruits decided to make their own entertainment

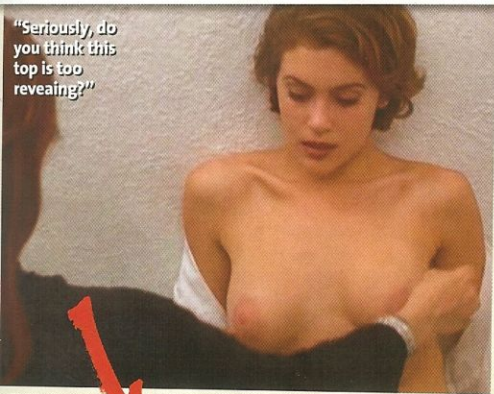

**LOUISE GLOVER &  
TRIANA IGLESIAS**

She might've graced the cover of *Playboy*, but that's no excuse for Triana to turn her back on Brit model Louise Glover. Oh, it's a pose, you say?

People always said  
these two were  
joined at the hip

"Seriously, do you think this top is too revealing?"

She'd always fancied the mannequin

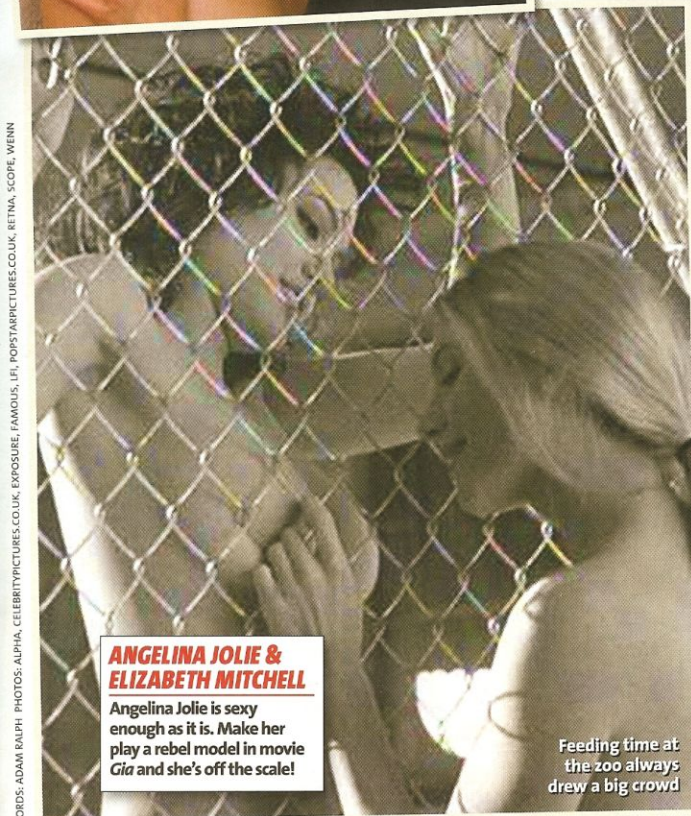

## CHARLOTTE LEWIS & ALYSSA MILANO

Perfect, pert breasts, sexy lip service and two stunners. What more could you want from a raunchy movie?

Mid-kiss, they both fell asleep

WORDS: ADAM RAUPH PHOTOS: ALPINA, CELEBRITYPICTURES.CO.UK, EXPOSURE, FAMOUS, LFI, POSTSTARPICTURES.CO.UK, RETNA, SCOPE, WENN

## ANGELINA JOLIE & ELIZABETH MITCHELL

Angelina Jolie is sexy enough as it is. Make her play a rebel model in movie *Gia* and she's off the scale!

Feeding time at the zoo always drew a big crowd

## T.A.T.U.

Aaah, Russian nymphettes... how we miss watching their girl-friendly fornication on our screens. And to think they really *were* lesbians!

"Mmm, peperami..."
